You are still the beneficial and legal owner of this money until such point in time as we incur any costs, losses or liabilities in connection with or arising out of your Order(s) including, without limit, liabilities we incur with third-party currency dealers, exchanges, brokers, banks or similar entities. You agree that we will become the beneficial owner of that proportion of the money, held as Margin, equal to our costs, losses, or liabilities, without notice or demand by us;
- d) We reserve the right to transfer the Margin to our counterparty bank or third-party provider as Margin to cover the corresponding forward transaction entered into without notice to you;
- e) We reserve the right to make a Margin call to re-establish the Margin to the original percentage level agreed for any particular Order if the Margin subsequently falls below an acceptable threshold (in our sole discretion) for that Order;

21.7 We accept no responsibility in the event that you send currency to any account other than the Account, so you must check that the correct account is set out in your Order.

21.8 All funds provided by you regarding an Order (whether as security or otherwise) may be appropriated by us if we incur any liability in respect of any transaction or in the event that you are unable to pay any sums due to us (or otherwise breach the Agreement or Applicable Law) and set off against such liabilities.

21.9 We may, at our discretion, make payments of our own funds to third-party introducers.

21.11 We are not a currency trading platform. Accordingly, you should not use our Services for this purpose (including sending us multiple Orders without the intention of completing all the Orders). If we detect that you are using the Services for this purpose, we may, at our discretion, set a limit on the number of Orders you may send to us, refuse to accept any further Orders from you, suspend or terminate the Agreement, without any notice to you.

22 Your rights to end a Contract

22.1 The Financial Services (Distance Marketing) (Amendment and Savings Provisions) (EU Exit) Regulations 2019 is up to date with all changes known to be in force on or before 15 January 2025. There are changes that may be brought into force at a future date.

22.2 Generally, you may have a right to end a Contract, depending on what you have bought, whether there is anything wrong with it, how we are performing and when you decide to end the relevant Contract. For example:

- a) if what you have bought is faulty or misdescribed you may have a legal right to end the Contract (or to get a service re-performed or to get some or all of your money back);
- b) if you want to end the Contract because of something we have done or have told you we are going to do, see section 22.3;
- c) in all other cases (if we are not at fault) see section 22.4.

22.3 If you are ending a Contract before it is completed for a reason set out at (a) to (e) below, the Contract will end immediately and we will refund you for any services concerning the Contract which have not been provided. The accepted reasons are:

- a) we have told you about an upcoming change to the financial services product, or the Agreement, which you do not agree to within the prescribed time;
- b) we have told you about an error in the price or description of the product or a service that you have ordered and you do not wish to proceed with the Contract within the prescribed time;
- c) there is a risk that supply of the product or service (be it the subject of the Contract, or the Contract itself) may be significantly delayed because of events outside of our control;
- d) we have suspended the supply of the relevant product or service for technical reasons, or notify you we are going to suspend them for technical reasons, in each case for a significant period, and in any event no less than 5 Business days; or
- e) you have a legal right to end the Contract because of something we have done wrong and we have accepted that we are at fault.

22.4 Even if we are not at fault, you may still be able to end a Contract before it is completed, but this may be subject to deductions and/or you may have to pay us compensation. A Contract is completed when we have finished providing our services concerning it to you. If you want to end a Contract before it is completed (where we are not at fault), just contact us to let us know. If that is something that we are prepared to do (at our sole discretion), the relevant Contract will end and we will refund any sums paid by you for our services that have not been provided. However, you agree that we may deduct from that refund (or, if you have not made an advance payment, charge you) reasonable compensation for the net costs we will incur as a result of your ending the Contract early, the details of which you agree will be provided to you at the relevant time.

22.5 Please contact us via the contact page facility on the Website or App for more details on how you can end a Contract with us where possible.

- 33.13. If the Card has expired and it has a leftover balance, you may contact us to request a replacement Card. If we agree to issue a replacement Card we will apply an administration fee (or other currency equivalent) as outlined in Schedule 2, in addition to any other fees concerning the replacement Card as outlined in Schedule 2.
- 33.14. Once the Card has expired, or if it is found after you have reported it to be lost or stolen, you must permanently, and securely, destroy the Card. 34. Keeping the Card secure

- 34.1 Taking care of the Card, PIN and other security information is essential to help prevent/reduce fraud and protect your account. Please make sure that you follow the advice given below.
- 34.2 Do not let anyone else use the Card, and do not tell anyone else your PIN, password or other security information.
- 34.3 We will never ask you to tell us your PIN. If you are in any doubt whether a caller is genuine, or if you are suspicious about them, take their details and contact us.
- 34.4 When you change your PIN at an enabled ATM, choose your new PIN carefully. Avoid selecting a PIN that can be compromised using other information about you, such as numbers from your date of birth or house number.
- 34.5 Memorise your PIN, password and other security information. Never record your PIN or other security information.
- 34.6 Always take such steps as required to keep the Card safe and your PIN, password and other security information secret at all times.
- 34.7 Keep Card receipts and other information about your account, such as statements, safe and destroy them carefully and permanently when you choose to destroy them.
- 34.8 The Cardholder must keep the Card safe and not let anyone else use it. If someone else uses the Card before the Cardholder has advised that it is lost or stolen, the maximum amount that you (or the Cardholder) will be held liable for is outlined in Schedule 2, provided that you (or the Cardholder) have not acted fraudulently or without reasonable care, or in such a way as to give rise to reasonable suspicion of fraud or that you (or the Cardholder) have not acted fraudulently or without reasonable care.
- 34.9 You should check the online account and Card statement regularly. If there is an entry which seems to be wrong, you should tell us as soon as possible so that we can investigate it. During our investigation, you should cooperate with us and with the police, if we need to involve them.
- 34.10 If the Card is lost or stolen, if you suspect that it has been used by someone other than you, or that someone else knows your PIN, password or other security information, you must tell us as soon as you can by logging on to your online account or via the App, or calling us. Once informed, we will take prompt steps to try and prevent the Card from being used. Provided that we have your authority to close your accounts, we will then provide you with a replacement Card (at the fee outlined in Schedule 2) with a corresponding new account number loaded with the same amount as your last Available Balance. We will post any replacement cards to the most recent account address that you have registered with us. Failure to provide the correct address will result in a card replacement fee. You agree to assist us, our Affiliates, our agents, or the police if the Card is lost or stolen, or we suspect that the Services are being misused.

- 34.11 We cannot guarantee that a retailer will accept the Card or that we will necessarily authorise any particular transaction because of a system problem, events outside our reasonable control, or because we are concerned about misuse of the Card. Accordingly, we shall not be liable if a retailer refuses to accept the Card, if we do not authorise a transaction, or if we cancel or suspend use of the Card.
- 34.12 Treat the Card like cash. If it is lost or stolen, you may lose some or all of your money in the Card account(s).
- 34.13 If the Cardholder does not use the Card in accordance with the Agreement, or if we find that the Cardholder is using the Card fraudulently, we reserve the right to charge you for any reasonable costs that we incur in taking action to stop the Cardholder using it and to recover any monies owed as a result of these activities.
- 34.14 Upon your request, we will investigate any disputed transactions or other misuse of the Card. To do this, we may need more information and assistance from you and you agree to provide such assistance as we require concerning our investigation with the timeframes stated by us. After the investigation has been completed, we will immediately redeem the transaction amount and associated charges that were not authorised by you, provided you have kept the Card and PIN secure, you have not acted, or causes someone to act, fraudulently, with gross negligence or in breach of Applicable Law, and you have acted with reasonable care. However, if the investigation shows that the disputed transaction was authorised by you, or you intentionally failed to keep your information safe, or it has been completed due to having acted fraudulently, intentionally, with undue delay or with gross negligence by you, it may impact your ability to successfully claim a loss and we also reserve the right to reverse the redemption and we may charge an administration fee.
- 34.15 Transactions less than £35.00 in value may not be investigated. You may be liable for that loss, and you will be responsible for recovering any losses from the merchant.
- 34.16 Should you become aware of an unauthorised or incorrectly executed transaction, you must inform us within 13 months of the date that the transaction was executed. In accordance with the time limit imposed by Applicable Law concerning APP scams, if you don't inform us within 13 months we cannot be held responsible for any loss that occurs.
- 34.17 We encourage you to review the Card spend and account order history on a regular basis.

35 Your right of redemption

- 35.1 You can redeem the Available Balance by contacting us at any time before the end of 6 (six) years after the date that the Agreement ends, after which time your Available Balance will no longer be redeemable to you and we are entitled to retain the corresponding funds.

- d) a claim for a refund in the circumstances set out above will not be accepted if the amount of the transaction was made available to you at least four weeks before the transaction date or it is made more than eight weeks after being debited to your account.

Schedule 1 – Cashback Service Terms

1. Cashback Service

- 1.1 The terms in this schedule ("Schedule 1") apply only in respect of the cashback service that we provide.
- 1.2 You can earn cashback, that is a percentage of qualifying transactions you make at certain UK retailers ("Cashback"), by using the Card either online or in store to make purchases at qualifying retailers (the "Cashback Service").
- 1.3 We receive a commission (the "Commission"), payable by a retailer for qualifying purchases you make, from the retailer, once that retailer has confirmed the purchase is a qualifying transaction (each a "Qualifying Transaction").
- 1.4 Cashback Rates (the "Rates") may change and you should check the cashback page on the Website for the latest Rates that apply, as well as any exclusions or limitations. Any new Rates will apply as soon as we update the Website. =
- 1.5 When we refer to qualifying retailers, we mean sellers and suppliers of goods or services that agree to enter into Qualifying Transactions and pay us Commission.
- 1.6 Each retailer offer is subject to such terms and conditions as the retailer applies to the offer.
- 1.7 We use an administrator to administer the cashback. The current administrator is Pluxee UK Ltd.

2. Automatic Entitlement

- 2.1 If you have been accepted for an Account and a Card you will automatically be included in our Cashback Programme.

3. Cashback

- 3.1 After you have made a Qualifying Transaction we will calculate the amount of Cashback due to you and pay it to your Account. Cashback will be credited to you in the first two weeks of the month that is at least 60 days after a Qualifying Transaction has been made. For example, if you make a Qualifying Transaction that generates Cashback of £1.20 on 21 August, £1.20 will be credited to your Account in the first two weeks in November.
- 3.2 If we, or the cashback administrator, determine that any Cashback has been calculated incorrectly or paid to you in error, we reserve the right to either reclaim any amount owed or deduct it from future payments of any Cashback to you until such time as the overpayment has been returned to us in full.
- 3.3 You can view all Cashback that is due to be credited to you, and that has previously been paid, by viewing the Cashback section of your online account on the Website. You should be able to view Cashback that is due to be paid to you seven Business days after you have made a Qualifying Transaction.
- 3.4 There are various circumstances in which Cashback will not be paid to you, namely:
 - a) where the transaction in question is cancelled after it has been entered into, for example where a purchased product is returned or a right to cancel the transaction is exercised;
 - b) we have reason to believe that the Cashback has been obtained fraudulently;
 - c) we have concerns about the security of your Account, or Card and/or your use of the Cashback Service;
 - d) where you opt out of the Cashback Service;
 - e) your Account is closed;
 - f) the Card expires, or is cancelled, or terminated; or
 - g) the Agreement is suspended, cancelled, or terminated for any reason.

4. Misuse of the Cashback Service

- 4.1 We reserve the right to suspend, cancel, or terminate the Cashback Service, or parts of it, if in our reasonable view you are in breach of any provision of this Schedule 1 or the Agreement.
- 4.2 You must not enter into, or attempt to enter into, any transaction with a retailer or to endeavour to gain Cashback:
 - a) by providing personal information of someone else;
 - b) by deceptively or unfairly exploiting a retailer's offering, or;
 - c) in breach of any terms and conditions applied by us or the retailer to that transaction.
- 4.3 If you see or experience anything on the Cashback Service that appears to breach any of the above requirements, we invite you to inform us by contacting us via the contact page facility on the Website.

5. Additional Services

- 5.1 We or our partners may offer new or additional services through the Cashback Service from time to time. Your use of those services may be subject to additional terms and conditions, which you must comply with. Provided that those terms are notified to you on the Cashback Service in an appropriate manner when you agree to take those services, any failure by you to comply with a material provision of the terms governing those services will amount to a breach of Schedule 1 and the Agreement.

6. Operation of the Cashback Service

- 6.1 We reserve the right to withdraw, modify or suspend aspects of the Cashback Service, or the entirety of it, where we have legal, security, technical or commercial reasons to do so. We will endeavour to give you at least 30 days' notice before taking such action, except where it is necessary to take earlier action for security reasons or because of technical difficulties which adversely affect the Cashback Service, or due to Applicable Law. There may also be times when the Cashback Service becomes inaccessible as a result of technical difficulties experienced by us or internet access problems; we will, however, use reasonable skill and care to overcome these difficulties where they are within our control. Please note, however, that we cannot guarantee continuous access to the Cashback Service or any of the content that appears on it.
- 6.2 Nevertheless, we will strive to ensure that any periods of planned unavailability, which you will be informed of when you access the Cashback Service at the relevant time, are kept to a minimum where we are able to do so.

7. Liability for Cashback Service

- 7.1 We will exercise reasonable care and skill in providing the Cashback Service but we do not guarantee that the Cashback Service will meet your requirements.
- 7.2 We will not be liable to you or anyone else, whether in contract, tort (including negligence, breach of statutory duty or other tort) or otherwise:
 - a) for any loss of revenue, business, anticipated savings or profits;
 - b) for any loss, damage or costs or other claims that are not foreseeable by us; or
 - c) for any loss resulting from any transaction or purchase you make;

relating to, or arising from, the Cashback Service.

- 7.3 If we are found to be liable to you for the Cashback Service, our total liability (including any indemnity) concerning the Cashback Service shall be limited to the greater of:

- a) £5 (five pounds sterling); or
 - b) the total amount of Cashback paid to you in the twelve-month period immediately before the date you make a claim against us.
- 7.4 For the avoidance of doubt, nothing in this paragraph 7 limits our obligation to pay valid Cashback to you.
- 7.5 The provisions of this paragraph 7 shall survive the termination or expiry of the Agreement.

8. Changes to the Cashback Service Terms

- 8.1 We reserve the right to change the terms in this Schedule 1 from time to time, and upload the new version on the Website. When we do so, we will upload the new version of the Schedule 1 on the Website, and the new version of Schedule 1 will take effect, and will govern the Cashback Service and your relationship with us:
- a) commencing no less than thirty days after the date of uploading (or such later date as we indicate in the relevant posting), if any of the changes is to an operative provision of the terms of Schedule 1 which is capable of adversely affecting you; if you do not wish to be governed by the new version of the terms of Schedule 1, you may notify us on or before the date when the new version of the terms of Schedule 1 is to take effect, and from that date the Cashback Service automatically terminates and you must cease to use the Cashback Service; or
 - b) immediately upon the date of posting (or such later date as we indicate in the relevant posting), if the changes are not to operative provisions, or not capable of adversely affecting you - examples of which would include, without limitation, a change of administrator, changes to contact details referred to, or the refinement of provisions that are already included, in the terms of this Schedule 1.

9. Opting out of the Cashback Services
